

## DHS Office of University Programs - Scientific Leadership Award Recipients

<b>Academic Institution</b>	<b>Year</b>	<b>MSI</b>	<b>Project Title</b>
CUNY John Jay College of Criminal Justice	2017	Hispanic Serving Institution	The Homeland Security Disciplinary theory and Advanced social-behavioral sciences Research-methods Training (DART) Program
Howard University	2017	Historically Black College and University	Security Engineering for Resilient Networked Critical Infrastructure
North Carolina Central University	2017	Historically Black College and University	Homeland Security-Center for Research, Education, and Sensor Technology (HS-CREST)
Florida International University	2017	Hispanic Serving Institution	Center for Advancing Education and Studies on Critical Infrastructures Resilience (CAESCIR)
Prairie View A&M University	2017	Historically Black College and University	An Interdisciplinary Skills Development Project for Improved Disaster Management Through Innovative Social Media Analytics
Jackson State University	2014	Historically Black College and University	Enhancement of the Emergency Management Technology Program at Jackson State University
Texas Southern University	2014	Historically Black College and University	Preparing Technically Savvy Homeland Security Professionals for Maritime Transportation Security
University of Texas San Antonio	2014	Hispanic Serving Institution	Analysis and Training in Defense of Biological and Digital Threats
Tennessee State University	2014	Historically Black College and University	An Integrated Undergraduate Research and Education Program in Data Analytics for Securing Critical Infrastructure at Tennessee State University
Alabama A&M University	2014	Historically Black College and University	Developing HS-STEM Workforce through Education and Research: Emphasis on Explosives Detection Techniques
University of the District of Columbia	2014	Historically Black College and University	The UDC HS-STEM Project
Morgan State University	2012/2013	Historically Black College and University	Visual Analytics for Science and Technology at a Minority Serving Institution (VAST MSI)

Elizabeth City State University	2012/ 2013	Historically Black College and University	Young Faculty Exchange and Student Mentoring in Coastal Hazards and Maritime Environment Security at ECSU
Texas A&M University - Kingsville	2012/ 2013	Hispanic Serving Institution	Security Engineering: Development of Curriculum and Research for Homeland Security
Tuskegee University	2012/ 2013	Historically Black College and University	Portable Smart Platforms for Detection of Biological Pathogens and Chemicals
Bishop State Community College	2011	Historically Black College and University	The EPECS (Engineering, Physics, Economics and Computer Science) Program
El Paso Community College District	2011	Hispanic Serving Institution	An Integrated Bridge Program from Early College High School and El Paso Community College to DHS-Relevant STEM Careers
Los Angeles Southwest College	2011	Hispanic Serving Institution	Homeland Security-Computer Science Bridge Project
J. F. Drake State Technical College	2011	Historically Black College and University	Creating a Globally Competitive STEM Workforce for Homeland Security
Tennessee State University	2011	Historically Black College and University	Preparing Minority Scholars in Protection of Digital and Transportation Infrastructure through Vertical Integration of Concepts, Laboratory Experiences and Research Training
Howard University	2011	Historically Black College and University	The Graduating Engineers in the U.S. (GENIUS) Research Program: Infusing DHS Research into Undergraduate Education at Howard University
Jackson State University	2011	Historically Black College and University	Scientific Leadership in Quantitative Microbial Risk Assessment
California State University, Long Beach	2011	Hispanic Serving Institution	Homeland Security Option of Bachelor of Arts in Engineering Systems
Bowie State University	2011	Historically Black College and University	Developing Homeland Security Expertise to Support Emergency Evacuation Research (HS-SEER)
New Mexico Institute of Mining and Technology	2011	Hispanic Serving Institution	New Mexico Tech - Scientific Leadership And Teaching Endeavor
Alabama A&M University	2010	Historically Black College and University	Preparing Tomorrow's Homeland Security Task Force through Education, Research and

			Curriculum Development at AAMU
Universidad Del Este	2010	Hispanic Serving Institution	Department of Homeland Security-Science, Technology, Engineering and Mathematics' Scholars (DHS-STEM Scholars) at Universidad del Este
University of Arkansas at Pine Bluff	2010		Arkansas Cyber Security Community of Practice (ACS-CP)
University of Puerto Rico, Mayaguez	2010	Hispanic Serving Institution	Education and Training of Students on Maritime Domain and Port Security at UPRM
CUNY John Jay College of Criminal Justice	2010	Hispanic Serving Institution	John Jay College, CUNY Homeland Security Doctoral Research Fellowship Program
Tennessee State University	2010	Historically Black College and University	Prepare Minority Scholars to Protect the Nation's Critical Infrastructure and Key Assets through an Integrative Education, Research and Professional Development at Tennessee State University
Florida International University	2010	Hispanic Serving Institution	A Research and Educational Framework to Advance Disaster Information Management in Computer Science PhD Programs
Research Foundation of CUNY-The City College of NY	2010		Preparing Homeland Security Professionals for Transportation Infrastructure Protection in a Multi-Hazard Environment
University of the District of Columbia	2009	Historically Black College and University	DHS Scientific Leadership Awards for Minority Serving Institutions Granting Bachelor's Degrees
California State University, Dominguez Hills	2009		Homeland Security Science Technology and Research Training Undergraduate Program (HS-STARTUP)
Jackson State University	2009	Historically Black College and University	Jackson State University's Technology Department HS/STEM -MSI Enrichment Leadership Program
The University of Texas at El Paso	2009	Hispanic Serving Institution	HS-STEM: Integration of Homeland Security into Computational Studies at UTEP
Universidad Politecnica de Puerto Rico	2009	Hispanic Serving Institution	Scholarship to Strengthen Research and Education to

			Secure Our Nation's Critical Infrastructure
Alcorn State University	2009	Historically Black College and University	Homeland Security Science Curriculum with Specialization in Unmanned Systems: Inland, Border, Maritime and Port Security
CUNY John Jay College of Criminal Justice	2009	Hispanic Serving Institution	CUNY-John Jay College Homeland Security Scholars Post-Baccalaureate Achievement Program
Virginia State University	2009	Historically Black College and University	Establishment of Information Assurance New Concentration for the Computer Science Graduate Program at Virginia State University
North Carolina Agricultural and Technical State University	2009	Historically Black College and University	Interactive Simulation Model for Evaluating the Impact of Port Disruptions
Florida A&M University	2009	Historically Black College and University	An Innovative Master of Science Degree Program for Under-Represented Scholars in Environmental and Agricultural Biosecurity
California State University, Dominguez Hills	2009	Hispanic Serving Institution	Network Distributed Multi-Agent Decision System (NOMADS)
Roxbury Community College	2009		Roxbury Community College – Massachusetts HS-STEM Bridge Program
University of Texas, Brownsville/Texas Southmost College	2009	Hispanic Serving Institution	Recruiting High-Achieving Hispanic Students into Forensics & STEM
Southwest Tennessee Community College	2009	Historically Black College and University	Scientific Leadership Bridge Awards for Minority Serving Institutions Granting Two-Year Associate Degrees
Houston Community College	2009	Hispanic Serving Institution	Creation of a Community College-University Collaborative to Promote STEM Research and Curriculum Enrichment
Jackson State University	2008	Historically Black College and University	Scientific Leadership in Bioinformatics for Microbial Threats
Virginia State University	2008	Historically Black College and University	Project of Curriculum and Faculty Development for Information Security New Concentration

Florida International University	2008	Hispanic Serving Institution	Information Delivery and Knowledge Discovery for Hurricane Disaster Management
Prairie View A&M University	2008	Historically Black College and University	Producing Homeland Security Leaders, Scholars, and Experts through Education, Research and Professional Development
California State University, Los Angeles	2008	Hispanic Serving Institution	Biosecurity Research and Education Programs at Cal State L.A.
University of Puerto Rico, Ponce	2007	Hispanic Serving Institution	Integrated Strategies for Increasing Understanding, Preparedness, Response and Research in Terrorism at UPRP
Wilbur Wright College	2007		Wilbur Wright College Emergency Management Associates in Applied Sciences Program
Alcorn State University	2007	Historically Black College and University	Development of an Undergraduate Interdisciplinary Curriculum for Homeland Security STEM fields
Savannah State University	2007	Historically Black College and University	Research for Improved Policy and Planning for Underserved and Disadvantaged Populations
Blackfeet Community College	2007	Tribal College	Blackfeet Home Land Security - First Responder Training Project (BHLS-FRTP)
University of Texas at El Paso	2007	Hispanic Serving Institution	Visually Explaining Cargo Shipment Threat Detection
CUNY Graduate Center	2007		Integrating education, research and professional development efforts to train the next generation of homeland security experts and scholars
California State University, Fresno Foundation	2007	Hispanic Serving Institution	Department of Homeland Security Graduate Certificate: Research Emphasis on Border Security and Immigration Studies
North Carolina Agricultural and Technical State University	2007	Historically Black College and University	Developing Expertise of Minority Students in Managing Threats and Response to Emergency Situations through Interdisciplinary Research and Education
Morgan State University	2007	Historically Black College and University	Increasing the Pipeline of STEM Majors Among Minority Serving Institutions

Florida International University	2007	Hispanic Serving Institution	Secure and Trustworthy, Context Aware Adaptable Sensor Networks
CUNY John Jay College of Criminal Justice	2007	Hispanic Serving Institution	Educating Tomorrow's Homeland Security Leaders Today
